

March 17 2025

Attendees:

Ashley, Adam, Braden, Ben D, Spencer, Ben C, Steven

Goals:

- Discuss tasks complete over the weekend

Notes:

Team discussed what they are working on. Ben D is working on getting stripe set up, Adam is working on the item in the backend, mentioned he didn't use a view he used raw sql, and is working on a more advanced version of the item, he mapped a basic item to a listing. Spencer working on the dashboard, Steven mentioned he sent in his commits. Braden working on the responsiveness of the application. Ashley working on documentation. The team also mentioned the progress report meeting that we have tomorrow Tuesday the 18.
