

March 28 2025

Attendees:

Ashley, Braden, Spencer, Steven, Ben D, Ben C

- Adam not joining

Goals:

- Discuss progress made in last few days

Notes:

The group all contributed that they were working on their various tasks, and working to meet the end of our sprint. Ben C specifically mentioned that he is working on smoothing over different pieces of the application. Spencer specially discussed what has been done for the store dashboard, he provided a small demo of the front -end and what has been implemented. There was also a discussion on the store builder pages and the theme builder pages, both were provided with clarification and guidance on what our team will be doing in regards to both.
