

# April 11 2025

## Attendees:

Ashley, Braden, Ben C, Ben D, Spencer,

- Adam and Steven unable to attend

## Goals:

- Discuss tasks completed so far

## Notes:

Meeting began with a discussion on what the team has been working on so far this week. Members discussed their tasks with Ben C mentioning he worked on the backend. With him discussing the tables for when a product is ordered from a store, he mentioned now when the product is ordered then it takes the information and sends it to the backend. Braden asked for some clarification on how our team will be using banners, and mentioned he is working on it. Spencer mentioned that he is working on his tasks. Ashley and Ben D also mentioned they are working on their tasks as well, with more to show after the weekend.
