

March 14 2025

Attendees:

Ashley, Braden, Steven, Adam, Ben D, Ben C,

Goals:

Discuss what has been done this week for the project and what we will be working on going forward

Notes:

Team discussed what has been done so far for our fourth sprint. Ben C mentioned he is working on cleaning up the backend (editing and modifying) so we can add store banners and logos to the store in addition to testing these changes as well. Ben D is researching stripe further and looking into implementation. Adam is working on his tasks and Braden is still working on the item page. Steven will be pushing his changes today, Ashley is working on documentation for the report,
