Attendees:

Ashley, Braden, Spencer, Steven, Ben C, Ben D

- Adam unable to attend

Goals:

- Discuss tasks accomplished so far this week and discuss the end of the sprint

Notes:

Meeting began with a discussion on what everyone had been working on during the week. Spencer discussed how the store builder section for store owners was going, he mentioned that the frontend is done and he is working on connecting it to the backend. Ben D mentioned that he has his tickets done both front and backend, it was discussed that he will be aiding spencer in the store builder creation of pages and connecting them to the backend. Talked about smss vs terminal and the syntax. Ben D also discussed payments and stripe and hope the two are interacting. Braden Mentioned that he is working on the banners and Steven mentioned that he is working on his assigned tasks. Ashley is also working on creating the user requirements documentation.
