

March 24 2025

Attendees:

Ashley, Ben D, Braden, Ben C, Steven, Spencer, Adam

Goals:

- Discuss tasks

Notes:

Meeting began with a discussion on what each member is working on and how we will be moving forward in our next sprint. Spencer mentioned he is working on the backend components for the store dashboard. Ben D discussed changes he made and mentioned that he sent in a pull request to GitHub. Braden mentioned that he is working on the item and reviews pages responsiveness. Adam mentioned that he has the backend for the detailed item page working, this page is for the item listing. Steven mentioned he is working on the testing.
