

Feb 24 2025

Attendees:

Ashley, Ben C, Ben D, Spencer, Steven, Braden

Adam was unable to attend the meeting

Goals:

- Discuss what was done over reading week

Notes

Members discussed what each person did over reading week as we did not meet. We also discussed our next sprint and what tasks should be assigned to each person. Also discussed when our next sprint review should be and agree that our next meeting Wednesday would be appreciate. We also discussed the amount of commits that are currently visible on the GitHub and changed our display branch from main to staging to showcase all of the commits being done by each of the members.
