

March 3 2025

Attendees:

Ashley, Adam, Braden, Ben D, Ben C, Steven,

Goals:

- Discuss weekend tasks

Notes:

Meeting started with a discussion on what tasks were accomplished on the weekend. Ashley presented some designs for preset themes when setting up a shop. Adam mentioned he has the item controller working and it is now in testing, brief discussion on blobs and looking into how photos are stored. Braden mentioned he will be finishing the store listing page in the next couple days. Steven mentioned he is starting the testing for the APIs we are creating. Ben C mentioned he worked on the backend controller for the stores and still needs to configure the front end. Ben D mentioned he finished his tasks again and was assigned more. The team also discusses item details and reassigned some tasks. Also discussed ssms for the database.
