

# Feb 10 2025

## Attendees:

Ashley, Adam, Ben D, Ben C, Braden, Spencer

\*Steven was not present but was agreed upon that this was fine by the group

## Goals:

- discuss tasks completed over the weekend

## Notes:

Meeting began with discussion over what everyone did over the weekend and if everyone is meeting their tasks. Adam mentioned some testing that he did over the weekend. Ben C mentioned he began working on the profile page, he also did a tutorial on how to set of angular. Ashley mentioned the ERD and requested is that it is updated for the progress report. Ashley also mentioned that contribution excel made and requested that everyone add their contributions to it before the progress report one is due. Tasks within the the Jira board were also redistributed from Spencer to Ben C to ensure that tasks were being met. Also discussed when TA meeting was to happen.
