

March 21 2025

Attendees:

Ashley, Ben D, Adam, Braden, Steven, Ben C, spencer

Goals:

- discuss the end of the sprint and tasks accomplished so far

Notes

Discussed what everyone will be working on over the weekend for the end of the sprint. Ashley will be working on the report and asked everyone to add their contributions to the excel sheet in the one drive file. Adam and Braden are working on thier tasks, Ben D mentioned the payment controller is ifxed and will be working on paper trading. Steven mentioned he is working on the testing and Ben C, talked about the URLs and how they take you directly to the store and all items are listed for the store and loaded into the store page with the images, it loads 9 at a time.
