

Feb 28 2025

Attendees:

Ashley, Spencer, Braden, Ben D, Adam, Steven, Ben C

Goals:

- discuss progress report one feedback
- discuss tasks accomplished

Notes:

Meeting began with a discussion on what everyone has been working on for the week and what they will be working on over the weekend. Ben C mentioned he will be working on smoothing things over and finetuning the front and backend over the weekend. Adam mentioned he is getting items to work in the database. Ben D discussed he finished his tasks and was assigned some new ones. Steven mentioned he is starting to work on the unit tests and getting the software working. Braden is mentioned his work on the item listing code is going well and Ashley is working on designs.

Discussed the feedback we got from the progress one report, Ben mentioned to the team if they are having problems ask for help to ensure we are saving time and working towards our goals.
